strategy & economic consulting

By Taxi

If coming by taxi, the name of the building is Metroplaza, which approximates to “San Doh Woi” in Cantonese. If the taxi driver does not recognise the name, it is easiest to ask for Kwai Fong MTR station, or show them the address in Chinese overleaf. The taxi will take 15-20 minutes from Central and about the same time for the Airport.

If you are dropped off at the Office Entrance, use the lift well on the left side facing the building. If dropped off by Taxi at the Shopping Centre Entrance, take the escalators up one floor and walk to the back right of the building.

By MTR

The MTR takes approximately 20 minutes from Central. If coming from the Airport, take the Airport Express to Tsing Yi and change to a taxi or the MTR from there. The Metroplaza is attached to Kwai Fong MTR. The lift to the office is located on Level 2 of the Metroplaza Shopping Centre. If exiting the MTR from Central, take the footbridge at the same level as the train platform and go down one level on the escalators, following the signs to “Office Towers”, then walk to the back right of the building.

We look forward to welcoming you to our offices
